

Initial consult **\$200**

Consult visit by phone or in person; insurance will be billed for any GYN medical conditions addressed.

Cycle monitoring may include:

Follicle Ultrasounds- **\$300** each at KOMD

HCG Trigger **\$100-\$150**

SIS/HSG **\$1200**

Sperm Cryopreservation per sample **\$100**

Insemination with sperm wash **\$450**

Medications

Laboratory fees for bloodwork

Total payment is due in full for insemination. Please note that most insurances cover costs for GYN related medical conditions, but most do not cover insemination. Please check with your insurance company for the fertility monitoring services they cover.

I acknowledge that the global package has been explained to me. That I have read the above pricing and I understand that not all services required for treatment are covered in the global package and that I will be responsible for payment in full **PRIOR** to time of service. There will be a 3% charge for all credit card transactions.
